

BECOME A FRIEND TODAY!

The Friends of the Harrisburg District Library promote the growth of library services, make the public aware of the library services to all residents, generate monies to expand the physical facility and the number of people served, develop interest in library projects and programs, and stimulate the giving of gifts and bequests to the library. Please become a Friend and show support with your monetary gift, volunteer your unique talents, or serve on a committee. You may mail your form or drop it by the library. You can also pick up a form at the library. The Friends of the Library group is a vital part of our library. They operate a bookstore on the library's lower level, which is open during regular library hours.
